December 2011

Dear Friend in Christ,

We are very pleased about your interest to return to Lutherock or Lutheridge to be a part of the 2012 summer staff. Gathering a summer staff is always an exciting and challenging endeavor. Returning staff bring experience and maturity to the summer experience.

The only item you need to submit is the Application for Returning Summer Staff. Please take time to fill out the application thoughtfully.

Please return your application as soon as possible. We will begin to contract staff as early as January and will continue to “fill in the blanks” until all positions are filled. **DO NOT ASSUME THAT YOU CAN WAIT TO SEND IN YOUR APPLICATION AND THAT THERE WILL BE A PLACE FOR YOU!** We are again expecting an abundance of qualified staff applications. We will need to balance the need for returning staff while giving others an opportunity to experience being a part of the summer staff team. We will try to let you know whether we are able to offer you a returning counselor position as soon as possible. We’ll make final decisions about the staffing needs by the end of March.

Returning staff do not need to have an interview or send in additional reference forms. We have your previous application, interview notes and references on file along with your “feedback/evaluation forms” from previous summers.

Please contact us if you have any questions. Again, thanks for your interest. We hope to see your application SOON!

In Christ,

Pastor Tim, Pastor Mary, Van Van Horne & Kara Ridenhour
