

Lutherock Camp Safety and Follow-up Procedures

We look forward to your upcoming retreat. We appreciate your partnership in preparing for an enriching time and place apart at Lutherock.

Insurance

Each participant is responsible for all charges associated with an accident or illness that may occur while at Lutherock. Lutheridge+Lutherock Ministries does not provide sickness insurance to guests or campers. The guest's insurance is primary along with the insurance of the church or sponsoring group.

Emergency Facilities

The recommended emergency facility is Cannon Memorial Hospital (828-733-7000). To reach the hospital, exit Lutherock and turn right onto Sugar Mountain #1 Rd and go 1 mile to Wes Brewer Road. Turn right and go 2.2 miles to the stop sign. Then turn left onto NC 181 South and go 2.2 miles. Take a right onto Hospital Drive and go 0.4 miles to the building, following the signs to the emergency room.

Reporting Accidents or Incidents

We want your time at Lutherock to be as safe as possible. However, in the event that an accident occurs, or there is an incident that staff needs to be aware of, you are asked to complete an Accident/Incident Form. These forms are available from on-site staff. It is important that you share the completed form with the on-site staff person before you leave Lutherock, so we can provide the necessary assistance and follow-up.

Thank you for your assistance! We look forward to your time at Camp Lutherock.
