

Great News! There is now an easier way to register your group for Campfirmation in 2012!

**With this new process, you will be able to easily keep track of who is registered and you won't have to worry about user names or passwords!**

Here's how it works -

- Janine Webb will send you a spreadsheet to complete. This spreadsheet will have all the necessary fields for registration such as camper name, parents' names, address, phone, email, roommate requests, etc.
- After gathering all the necessary information for each camper, simply enter it onto the spreadsheet and
- Email it to Janine – [jwebb@llmi.org](mailto:jwebb@llmi.org)
- Within 10 days, Janine will communicate with you and attach health forms and other materials to distribute to your group.
- Together, we will also make arrangements for payment.
- After the May 1 health form deadline, Janine will contact you to let you know which campers from your group still need to send their health forms.

Remember – you will receive the lowest rate if you register by **March 12, 2012**. This date is slightly different than last year, so please make a note of it.

Janine Webb is handling ALL group registrations, so please email her to request the spreadsheet and get the process started. Please feel free to contact her any time with questions or concerns. The Registration Team's goal is to make the whole registration process as easy and smooth as possible for you as group leader!
