

Start the School Year off with a **L.E.A.P.**

Come to enjoy a L.E.A.P weekend with your youth group and the adventure of the mountains of North Carolina for fun, planning time, and group building with your youth group before busy school calendars get in the way.

A L.E.A.P. is a Lutheridge or Lutherock Environmental and Adventure Program.

Each L.E.A.P. includes team building games, group interaction course, climbing tower, hiking, and more. At Lutheridge, there will be time in the pool. At Lutherock, take an excursion to a natural rock water slide. Campfires and devotions are also included.

Each L.E.A.P. also includes time with just you and your youth group to help plan your year. Our staff is available to help with your planning and share how Lutheridge+Lutherock can assist you with servant events, ski trips, and other adventure type weekends.

August 11-13 at Lutheridge

August 21-23 at Lutherock

Cost \$135.00 per person

Rate includes activities listed,
lodging for two nights, and 5 meals

Or, plan your own Youth Group L.E.A.P.

Fall break, New Year's weekend, Spring Break, or any weekend of the year you can plan your own L.E.A.P. We have pre-planned opportunities or you can custom design your own adventures and service events.
