Greetings from Lutherock!

Enclosed you will find a sample **Outdoor Adventure Program (OAP)** Group Registration “Buyout” Contract. This form is used for groups that want to commit to buying out an entire OAP one week this summer. A “buyout” means that you agree to pay for all 15 spots of an OAP of your choosing (even if you are unable to fill all 15 spots), and you can also fill those spots with adults if needed to help fill up the event. This program will then be closed to other groups. We also offer programs for groups larger than 15.

Feel free to review the attached [program descriptions](#) of the OAPs we offer. If you’ve never brought a group to participate in an OAP event at Lutherock, we highly encourage you do so as it will be a week your youth will never forget! Many churches choose to bring a group to confirmation camp and then another group to an OAP the same week. The other group might be senior high youth or maybe your 6<sup>th</sup> graders if not yet involved in confirmation classes.

So, what’s the next step? If you have selected an OAP that you would like to buy out, simply call or email Kara Ridenhour, at 828-684-2361, ext. 304 or [kridenhour@llmi.org](mailto:kridenhour@llmi.org) to verify availability. If space is available, we will hold your spot for up to 3 weeks while awaiting your buyout contract and initial deposit of \$125.00/person.

If you find you have any questions at all, please do not hesitate to contact me. I hope to see you this summer!

God’s Peace,

Van Van Horne  
Lutherock Program Director
