### SUMMERSHINE CAMP: WHERE EVERYONE SHINES!

The three Weeks of SUMMERSHINE Camp are each designed for a different population. Please read the program descriptions carefully and help us provide the best possible experience for ALL campers by choosing the program that best fits your camper's age and abilities. If you are registering an Adult camper please decide if your SummerShine camper would appreciate the active games, hikes, canoeing, outings, etc of our Adult SummerShine Program, or if the slower, more relaxed pace of Hilltop SummerShine would be a better fit. Please call or email Pastor Mary to discuss this if you have questions.

The fee for SUMMERSHINE KIDS & ADULTS for 2010 is as follows:

If paid in full on or before Mar 15	If paid in full Mar 16-Apr 15	If paid in full Apr 16-May 14	If paid in full after May May 15
\$443.00	\$468.00	\$478.00	\$505.00

The fee for HILLTOP SUMMERSHINE for 2010 is as follows:

If paid in full on or before Mar 15	If paid in full Mar 16-Apr 15	If paid in full Apr 16-May 14	If paid in full after May May 15
\$458.00	\$483.00	\$493.00	\$520.00

Please understand that we cannot hold space without a minimum deposit of \$125 with registration application. Partial scholarship money is available. You may request a scholarship using the form available online ([www.llmi.net](http://www.llmi.net)). For a scholarship request to be processed before March 15, it must be postmarked by February 15, 2010.

If you are unable to attend the camp week for which you register, please notify our office **IN WRITING** as soon as possible. If we receive cancellation notice prior to four weeks before the beginning of your camp week, your registration fee, minus the deposit, will be returned to you. If we receive your cancellation with less than four weeks notice, but more than 72 hours notice, you may request half of your registration fee (minus the deposit) to be returned. If we do not receive notice of cancellation with 72 hours notice, then no money will be refunded.

**PLEASE COMPLETE BOTH PAGES of the registration form!** It is crucial that you take time to fill out these forms correctly and completely, giving us as much information on the camper as possible, so that we may be assured that the camper fits the program chosen. We want to make this the best week possible for our special campers, and how you fill out this application is the first step to making that happen! Please do not think, "Maybe this won't happen at camp..." TELL US EVERYTHING! Thank you for your partnership!

## **Frequently Asked Questions:**

### **About Lutheridge**

Built on 160 acres in Arden, NC (just south of Asheville). On-site facilities include a dining hall, swimming pool, small lake, playgrounds, 41-foot Challenge Tower, low ropes course, game/playing fields, basketball courts, activity/craft lodges and walking trails. Lutheridge is owned & operated by the Evangelical Lutheran Church in America. We offer programs and retreat space year round. In the summer, more than 2000 campers will enjoy a week of Camp” at Lutheridge. While SummerShine Campers will have their own area, they will also play, sing, worship & make friends with the MANY children & youth and Family campers on site for their camp week. It is our joy to have them in the mix!

### **Why SummerShine?**

The name SummerShine lifts up the spirit of Lutheridge camp with those who have developmental delays: We help EVERYONE shine! Each camper is valued and participation is encouraged.

### **Health Care:**

We have a nurse on site at all times who provides healthcare and oversees/ documents administration of medications for SummerShine campers. There is also a walk-in clinic right outside our gates.

### **Staff:**

SummerShine counselors are college age staff who have limited experience, but great love for this special population. They receive training in risk management, first aid, behavior management, worship leadership, camp activities and many other areas. There are two counselors in every SummerShine cabin—each with his or her own group of three or four campers. At least one of the counselors in the cabin has previous experience with the SummerShine program or this special population. SummerShine also has it's own area director and resource people. At least one of these has a degree in Special Education or a related field.

### **Curriculum:**

We are a Christian camp and our goal is that everyone experience God's unconditional love in Christ. However, campers do not have to be Lutheran, or even Christian to come to Lutheridge. No one will be pressured or made to feel uncomfortable—that would not be loving! Each day campers spend about 90 minutes in a creative Bible study - games, crafts, songs and stories, focusing on God's love for us and how we can share it. Brief morning and evening worship round out our days.

### **Roommates:**

Each camper may choose one roommate. Please write that person's name on your registration form in the "roommate" spot and make sure your name is on theirs. Since there will only be three or four campers per room, we cannot promise more than one roommate. If each camper does not request the other or more than one is requested, they may be split.

### **Can I register my camper for more than one week?**

We strongly discourage a camper from coming for Adult and Hilltop SummerShine sessions, because the expectations and activities for the two camps are so different. This would be confusing or disappointing to most campers. If you feel sure that two weeks of camp would be good for your camper, please call Pastor Mary to discuss it.

### **What if I need to drop my camper off early or pick him/her up late.**

Because our summer staff only get 24 hours off each week, we are very protective of that time. We have our nurse available before check in so that we can be ready to receive your camper at 3:30 PM on Sunday. We cannot provide supervision before that time. If you cannot pick up your camper by 9:00 AM on Saturday, we can provide staff supervision until noon. Please give us advance notice of this. We are not able to provide supervision for SummerShine campers past noon on Saturday.
